## Helpful Hints

Tap the left side of the screen, or swipe from right to left to turn the page

Touch the center of the page, then the icon with three bars to access your **READING SETTINGS**. You can make the text bigger or change the background color if you're reading at night.

Check **Tips & Secrets** for more!!

## Things to watch for:

Look in the corner for the **Libby** icon to find your notification preferences and more settings. Also look for an **ACTIONS** button on certain screens.

**TAG** lets you save items for later or create your own lists without checking anything out or placing a hold

On your **SHELF**, you can see all the books you have checked out, renew or return them.

You can also change basic app settings, track your holds, and see tons of other information
