

1 Set-Up the Libby App

In your app store, search for **Libby, by OverDrive**.

Install and open the app.

“Do you have a library card?”

Tap **Yes**.

You can search for your library by name or branch location.

MATCHING LIBRARIES

Bridges

Fayette Community Library
104 W State St
Fayette, Iowa, USA

Search for FCL by name, zip code or let Libby guess by using your phone GPS.

Bridges is what we call our digital book collection! It's powered by **OverDrive**.

Do you want to read in the **Libby** app or on a separate **Kindle** device? We recommend reading right in the Libby app unless you're already used to Kindle. Libby will let you choose your format when you open a new book.

Borrow audiobooks and eBooks up to two weeks, with no overdue fees.
Limit 5 checkouts at a time.

**104 State Street

Tap on **Sign In With My Library Card**.

2

Let's take a moment to sign into your **Bridges** account. Where do you use your library card?

Fayette Community Library

Choose Another Location

I Would Like A Library Card

Skip This Step

Scroll down and select **Fayette Community Library** from the list, then enter your library card information.

Your card #: _____

Password: _____

Sign in and click **Next** to enter the library!

You may search for specific books or browse by collection. Use **Preferences** or **Refine** to indicate audio or eBook only, or to search for items that are Available Now.

Preferences change the settings for every search you do, while **Refine** changes only your current list of search results.

Books that are available to download will have a **Borrow** button next to the cover.

3

If someone else is reading it, feel free to click **Place Hold**.

Audiobooks are indicated with an **earbuds icon** under the book cover!

Look in the corner for the **Libby** icon to find your notification preferences and more settings. Also look for an **Actions** button on certain screens.

ACTIONS

Tag lets you save items for later or create your own lists without checking anything out or placing a hold.

Make sure to click **Borrow!** on the next screen to begin your download.

You can change your download settings from your **Shelf**.

From here you may choose **Open Book** to begin reading or keep browsing for more books!

Tap the right side of the screen or swipe from right to left to turn the page.

4

Touch the center of the page, then the icon with three bars to access your **Reading Settings**. You can make the text bigger or change the background color if you're reading at night!

Check **Tips & Secrets** for more!!

On your **Shelf**, you can see all the books you have checked out, renew or return them.

You can also change basic app settings, track your holds, and see tons of other information.

Books are automatically removed in 14 days, unless you renew or return them early. If you want to check out the same book again, Libby will remember where you were before.

Please note **audiobooks** may take several minutes to download, so give them time before disconnecting from Wi-Fi or data. A checkmark will appear when they're ready!
